Please **initial** each box

1. I confirm that I have read and understood the information sheet dated 31/03/2009 (version 1.2) for the above study. I have had the opportunity to consider the information, ask questions and have had these answered satisfactorily.
2. I understand that my participation is voluntary and that I am free to withdraw at any time without giving a reason and without my medical care or legal rights being affected.
3. I agree to having a physical examination and giving a sample of blood and urine for research in the ADDITION studies.
4. I agree that my test results can be forwarded to my General Practitioner.
5. I agree that the samples I have given and the information gathered about me can be looked after and stored by the MRC Epidemiology Unit and the University of Cambridge indefinitely for use in future projects aimed at identifying the causes of diabetes and its complications.
6. I understand that research studies are occasionally monitored and that information gathered from me may be looked at by someone outside the study team, but that this information will remain confidential at all times.
7. I give permission to allow access to my medical records and information from them to be analysed in strict confidence by responsible people from the ADDITION study team.
8. I agree to participate in this research study.
